GAME CANCELLATION

It is the responsibility of the HOME TEAM Coach to contact their Umpire Coordinator **VIA PHONE** ASAP to notify them that a game has been cancelled for any reason. Be sure to provide the following information:

- Game Date
- Game Time
- Game Location (specific field)
- Home Team Coach's name and contact information

For non-weather related cancellations, the Home Team Coach must give the umpire coordinator a minimum notification of 48 hours so the umpires can be re-assigned.

Obviously we can't control the weather, but If possible, for weather related cancellations, we would like the Home Team Coach to contact the umpire coordinator at least two hours prior to game time as there is no charge to DOLLS.

Once the Home Team Coach has contacted their Umpire Coordinator, they should contact their Level Director to determine when the cancelled game can be rescheduled.

RESCHEDULED/MAKE-UP GAMES

It is the responsibility of the LEVEL DIRECTOR to contact their Umpire Coordinator to arrange for an umpire for a rescheduled/make-up game. Be sure to provide the following information:

- Game Date
- Game Time
- Game Location (specific field)
- Which game (original date/field) it is replacing

The Level Director will confirm with both coaches that the game is rescheduled once they have heard back from their umpire coordinator.

UMPIRE CANCELLATION

It is the responsibility of the Umpire Coordinator to contact the Level Director ASAP if a scheduled game will not have an umpire for whatever reason. The Level Director will then notify the coaches.
