

Founded in **1969**, Downers Grove DOLLS Softball has provided thousands of youths the opportunity to not only learn the basics of fast-pitch softball, but also to foster and develop the ability to work within a team structure, make new friends and have fun playing the sport. This program has generated much interest and has experienced substantial growth. In the past two years, our program has grown from 600 participants to over 900 this past year.

The DOLLS organization is funded solely by sponsorship and registration fees. All of the people associated with the DOLLS, from board members to coaches, work on a volunteer basis and receive no monetary compensation. Unfortunately, registration fees only go so far to fund the purchases of uniforms and equipment, not to mention the cost of insurance, umpires and field maintenance and use. As a result, we rely on sponsorship as a way to help us defray the costs associated with these items.

What are the benefits of sponsorship?

Sponsorship provides you with a low-cost method of advertising your business. The best part of sponsorship is that the advertising and perceived goodwill as a direct result of sponsorship does not end when the season ends. Our kids will typically wear their uniform shirts long after the games and tournaments are over, providing you, as a sponsor, with not just a few weeks of advertising, but potentially, a whole year! Note the following with regard to sponsorship visibility:

- Sponsor names appear on the back of each uniform shirt
- Local newspaper sports stories will identify teams by their sponsor names throughout the season as well as during tournaments
- Our web page highlights all current sponsors at www.dqdolls.com with a link to your website
- Sponsors receive a team picture and plaque
- Many teams play games and tournaments beyond the confines of Downers Grove, giving your business broad exposure
